LONDON DERMATOPATHOLOGY SYMPOSIUM PROGRAMME

Wednesday 15th May 2019 – Day 1

Christie Room

Chairpersons: Arti Bakshi, Abbie Pugh

10:15 – 13:10 Short Course: Pitfalls in Inflammatory Dermatoses

Course Director: Michael Tetzlaff

Faculty: Jonathan Curry

Gunnel Room

Chairpersons: Fraser Charlton, Leena Joseph

10:15 – 13:10 Short Course: Quandaries in Melanocytic Neoplasms

Course Director: Asok Biswas

Faculty: Robert Phelps

13:10 – 14:30 Lunch Break *On Your Own*

Christie Room

Chairperson: Arti Bakshi

14:30 – 17:00 Short Course: Advances in Adnexal Tumours

Course Director: David S. Cassarino

Faculty: Will Merchant; Fraser Charlton

Gunnel Room

Chairperson: Leena Joseph

14:30 – 15:30 Small Group Seminar: Infectious dermatoses, Robert Phelps

15:45 – 16:45 Small Group Seminar: Potpourri of difficult inflammatory dermatoses, Uma Sundram

17:00 – 18:00 Small Group Seminar: Ancillary tests (special stains, immunohisto-chemistry, molecular) in inflammatory and neoplastic dermatoses, Nick Tiffin

18:15 – 19:15 Small Group Seminar: Spitzoid tumours, Joantina Costa Rosa

Chairpersons: Abbie Pugh

19:30 – 20:30 Small Group Seminar: Approach to alopecia specimens, Leah Chung

20:45 – 21:45 Small Group Seminar: My approach to classifying difficult adnexal tumours, David S. Cassarino

9th London Dermatopathology Symposium 2019

LDS Central Admin Office: Enquiries +441619808882 info@londondermpath.com www.londondermpath.com

Thursday 16th May 2019 – Day 2

Gunnel Room

07:00 – 08:00 Small Group Seminar: Diseases of anogenital region, Akhtar Husain

08:15 – 09:15 Small Group Seminar: Challenging soft tissue neoplasms, Will Merchant

Christie Room

Chairs: Arti Bakshi, Uma Sundram

09:00 – 09:30 Complex clinico-pathologic correlations, Michael Tetzlaff

09:35 – 10:05 Inflammatory dermatoses diagnoses you don't want to miss, Asok Biswas

10:10 – 10:40 Update on malignant adnexal tumors, David Cassarino

Gunnel Room

09:30 – 10:30 Small Group Seminar: Cutaneous T-cell disorders, Uma Sundram

10:40 – 11:00 Coffee Break

Gunnel Room

10:45 – 11:45 Small Group Seminar: What's new in adnexal tumors? Mar Llamas-Velasco

Christie Room

Chairs: David S. Cassarino, Leena Joseph

11:00 – 11:30 Panniculitis: Basics and Beyond, Marijke van Dijk

11:35 – 12:05 Eosinophils in Dermatopathology – Dilemmas in Differential Diagnosis, Robert Phelps and Stephanie Liu

12:10 – 12:40 Collagen and elastic tissue disorders, David S. Cassarino

Gunnel Room

12:00 – 13:00 Small Group Seminar: Controversies in Alopecia, Angel Fernández Flores

12:45 – 13:45 Lunch

Gunnel Room

13:30 – 14:30 Small Group Seminar: Paraneoplastic disorders, Claudia Vidal

Christie Room

Chairs: Ed Rytina

13:45 – 14:30 Dermopath Quiz, Ed Rytina

14:35 – 15:05 Neutrophilic dermatoses associated to autoimmune diseases, Marcela Saeb-Lima

15:10 – 15:40 Molecular diagnostics in non melanocytic dermatopathology, Thuy Phung

Gunnel Room

14:45 – 15:45 Small Group Seminar: Non scarring alopecia, Arti Bakshi

15:45 – 16:00 Coffee Break

Gunnel Room

16:00 – 17:00 Small Group Seminar: Algorithmic approach to neutrophilic panniculitis, Mar Llamas-Velasco

Christie Room

Chairs: Arti Bakshi

16:00 – 17:00 Slide Seminar Cases (8 difficult/rare cases): Robert Phelps; Uma Sundram; Will Merchant

17:00 – 17:20 Cutaneous adverse reactions to drugs, Claudia Vidal

17:20 – 17:40 Pitfalls in core biopsies of soft tissue tumours, Alexander Lazar

17:40 – 18:00 Sentinel node biopsies, Nick Tiffin

Gunnel Room

17:15 – 18:15 Small Group Seminar: Borderline melanocytic neoplasms: an approach to reaching a diagnosis, Ed Rytina

9th London Dermatopathology Symposium 2019

LDS Central Admin Office: Enquiries +441619808882 info@londondermpath.com www.londondermpath.com

Friday May 17th 2019 – Day 3

Gunnel Room

07:00 – 08:00 Small Group Seminar: Melanocytic tumours with ancillary molecular studies, Doru Andea

08:15 – 09:15 Small Group Seminar: The 2018 WHO Classification of Dysplastic Nevi, David Elder

Christie Room

Chairs: David S. Cassarino, Abbie Pugh

09:00 – 09:30 Molecular techniques in the diagnosis of pigmented lesions, Whitney High

09:30 – 10:00 Update on soft tissue neoplasms, Alexander Lazar

10:00 – 10:30 The 2018 WHO Classification of Melanoma, David Elder

Gunnel Room

09:30 – 10:30 Small Group Seminar: Challenging melanocytic tumours, Doru Andea

10:30 – 11:00 Coffee Break

Gunnel Room

10:45 – 11:45 Small Group Seminar: Digital Dermatopathology, Marijke van Dijk

Christie Room

Chairs: Uma Sundram, Leena Joseph

11:00 – 11:25 New entities in Pediatric dermatopathology, Thuy Phung

11:25 – 11:45 Confocal microscope – ex vivo, Jennifer Garioch, Eunice Tan, May Fadhil

11:45 – 12:05 Confocal microscope – in vivo, Jennifer Garioch, Eunice Tan, May Fadhil

12:10 – 12:30 CD34 positive skin and soft tissue tumours, Karen Fritchie

Christie Room

12:30 – 13:00 George Crichton Wells Lecture: Changing face of dermatopathology over the last half century, David Elder

13:00 – 14:00 Lunch

Christie Room –Director: Akhtar Husain

14:00 – 17:30 Self Assessment Course, Case Presentations

14:00 – 14:18 Cases 1-5 Nitin Khirwadkar

14:18 – 14:36 Cases 6-10 Karen Fritchie

14:36 – 14:54 Cases 11-15 Uma Sundram

14:54 – 15:12 Cases 16-20 Ángel Fernández Flores

15:12 – 15:30 Cases 21-25 Claudia Vidal

15:30 – 15:48 Cases 26-30 Marcela Saeb-Lima

15:48 – 16:06 Cases 31-35 Leah Chung

16:06 – 16:24 Cases 36-40 Doru Andea

16:24 – 16:42 Cases 41-45 David S. Cassarino

16:42 – 17:00 Cases 46-50 Whitney High

17:00 – 17:15 Questions and Answers

17:15 – 17:30 Closing Remarks
